

Revising Student Data Previously Submitted to the DOE

Instructions

1. Print a “[Revising Student Census Data](#)” form.
2. Indicate your school name, the school year for which you are revising data, and whether you are requesting changes to be made to the fall census, the spring update or both. Please note that we will only make changes to the census indicated on the form. If you wish to have the data changed for multiple school years or collections it must be indicated on the form.
3. Enter information that will allow us to identify the student including the Vermont Student ID number, last name, first name and date of birth. All of these pieces of information are required for us to properly identify the student record.
4. Provide the field information that needs to be changed including
 - a. Field Name
 - b. The data previously reported
 - c. The corrected data
5. If you have any question about the proper values for a particular field please look at the [code set sheet](#).
6. Finally, provide contact information in case we have questions about your request. We ask for a name, phone number and fax number.
7. You will need to fill out one of these forms for each student record that needs to be revised.
